PRAM EXPRESS

Connecting Ghana, Delivering Excellence...

COMPANY PROFILE · 2026

Connecting Ghana, Delivering Excellence

Courier, freight and on-demand delivery from Accra — across all 44 zones in Ghana and on to the rest of the world.

WHO WE ARE

A Ghanaian logistics company built on technology and trust

PRAM EXPRESS Ltd is a forward-thinking logistics company based in Accra, Ghana. We aim to redefine logistics through technology, innovation and an unwavering commitment to customer satisfaction. From local deliveries to cross-border freight, our services are tailored to the needs of Ghana's growing market and the wider African region.

OUR MISSION

To provide reliable, efficient and scalable logistics solutions, leveraging cutting-edge technology and a customer-first approach to transform the supply chain experience.

OUR VISION

To be the most trusted logistics partner in Ghana, the leading logistics provider in Africa, and a globally recognised brand known for innovation, reliability and sustainability.

OUR VALUES

- Customer-centricity
- Innovation
- Reliability
- Sustainability
- Integrity

WHAT WE DO

Five services, one partner

01

Air Freight

Fast, secure air freight from Ghana to destinations worldwide — for urgent documents, high-value goods and time-critical cargo.

- Express and standard options
- Customs documentation handled
- Tracked door to door

02

Sea Freight

Cost-effective ocean shipping for larger volumes, with full-container and consolidated cargo options through trusted partners.

- Full and shared containers
- Port handling and clearance
- Ideal for bulk and heavy cargo

03

Road & Surface Freight

Dependable road delivery across all 44 zones in Ghana and across borders in West Africa, with transparent pricing.

- Nationwide coverage
- Cross-border West Africa
- Weight- and zone-based pricing

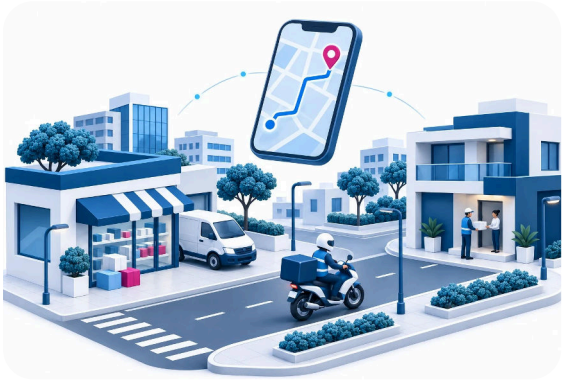

04

Warehousing

Secure storage, sorting and dispatch from our hub, so stock moves out as soon as orders come in.

- Receiving and storage
- Sorting and packing
- Same-day dispatch from the hub

05

On-demand City Delivery

Book in the app and a nearby rider collects and delivers within the city — ideal for shops, restaurants and online sellers.

- Book in minutes on the app
- Live rider tracking
- Bikes, cars and vans

HOW IT WORKS

From your door to theirs in four steps

1

Book

Book online, in the app or through your business account.

2

Pick up

A courier collects the parcel from your door.

3

Sort

It is scanned, sorted and dispatched from our hub.

4

Deliver

Delivered and confirmed, with live updates throughout.

TECHNOLOGY

Every parcel, visible from booking to delivery

Our own platform runs every booking, pickup and delivery — so customers, businesses and our team see the same live picture.

- Live GPS tracking of every rider and shipment
- Customer app for booking, paying and tracking
- Client portal with invoices, statements and reports
- API and WooCommerce plugin for online stores

WHY PRAM EXPRESS

What our customers count on

Speed
Express options and same-day city delivery.
